VOLUNTEER LAWYERS FOR THE POOR FOUNDATION

Notes to Financial Statements

NOTE 1 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Volunteer Lawyers for the Poor Foundation (Organization) is a not-for-profit organization whose mission and principal activities are to recruit and maintain lawyers to serve the residents of Southwest Ohio who require legal services and whose income is determined to be inadequate to pay for such services. The Organization's principal sources of revenue consist of donations and contributed services and facilities in the Southwestern Ohio area.

Financial Statement Presentation

The financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles (GAAP). The Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions, which are available for use in general operations and not subject to donor restrictions; and net assets with donor restrictions, which are either temporary in nature, such as those that will be met by the passage of time or other events specified by the donor, or are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Cash and Cash Equivalents

The Organization considers bank deposits and all highly liquid investments with original maturities of three months or less to be cash and cash equivalents. At December 31, 2020 and 2019, cash equivalents consisted primarily of money market accounts. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk.

In-Kind Services

In addition to receiving cash contributions, the Organization receives in-kind contributions of attorney time, administrative services and other non-reimbursed expenses related to operations. It is the policy of the Organization to record the estimated fair value of certain in-kind donations as an expense as reported on the financial statements and to record contribution revenue in a like amount. Donated services from attorneys are recorded at the time cases are closed and hours are reported by donating attorneys.

Contributions

The Organization records gifts of cash and other assets at their fair value as of the date of contribution. Such donations are recorded as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts having donor stipulations which are satisfied in the period the gift is received are reported as revenue and net assets without donor restrictions.

Income Taxes

The Organization is exempt from income taxes under Section 501 of the Internal Revenue Code and a similar provision of Ohio law. However, the Organization is subject to federal income tax on any unrelated business taxable income.

Notes to Financial Statements (Continued)

NOTE 1 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Uncertain Tax Positions

The Organization believes it has appropriate support for any tax positions taken, and therefore, does not have any uncertain income tax positions that are material to the financial statements.

Functional Allocation of Expenses

The costs of supporting the legal services program and other activities have been summarized on a functional basis in the statement of activities. Certain costs have been allocated among the program, management and general, and fundraising categories based upon specific identification and other allocation methods.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and the disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Subsequent Event Evaluation

The Organization has evaluated subsequent events subsequent to the statement of financial position date through August 5, 2021, which is the date the financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following as of December 31:

	<u>2020</u>	<u>2019</u>
Cash and cash equivalents	\$ 286,728	\$ 274,878
Contributions receivable	<u>4,550</u>	<u>2,425</u>
	<u>\$ 291,278</u>	<u>\$ 277,303</u>

As part of the Organization's liquidity management, it maintains financial assets to be available as general expenditures, liabilities and other obligations come due.

NOTE 3 IN-KIND SERVICES AND FACILITIES

The Legal Aid Society of Cincinnati (Society) provides the Organization with personnel to perform administrative functions and certain other non-reimbursed expenses. These services and expenses are valued at the cost to the Legal Aid Society and are included in the financial statements for the year the services were performed or in which the expenses incurred. Total services and expenses provided by the Society were approximately \$341,447 and \$349,315 in 2020 and 2019, respectively.

NOTE 3 IN-KIND SERVICES AND FACILITIES (CONTINUED)

The value of the legal services donated by lawyers on a volunteer or reduced fee basis has been included as contributed services at rates estimated to be what the Organization would have required to pay for additional outside services. Donated hours by lawyers approximated 6,641 hours and 5,881 hours for 2020 and 2019, and are valued at approximately \$150 for both 2020 and 2019.

NOTE 4 COVID-19 PANDEMIC

On March 11, 2020, the World Health Organization (“WHO”) recognized COVID-19 as a global pandemic, prompting many national, regional and local governments to implement preventative or protective measures, such as travel and business restrictions, temporary store closures, and wide-sweeping quarantines and stay-at-home orders. As a result, COVID-19 and the related restrictive measures have had a significant adverse impact upon many sectors of the economy.

The COVID-19 pandemic remains a rapidly evolving situation. The extent of the impact of COVID-19 on the Organization’s business and financial results will depend on future developments, including the duration and spread of the outbreak within the market in which the Organization operates. The exact financial impact of the COVID-19 disruption cannot be reasonably estimated at this time.
